

# CAIRT 1–45 (2002-24) SUBJECT INDEXES

Compiled by Diana Webster

Issue number is in **bold**, pagination is in *italics*.

Articles within a subheading are in publication order.

Indexes do not include news, scanning projects and websites.

**People index** p. 1  
**Place index** p. 7  
**Thematic index** p. 10

## PEOPLE INDEX

Includes surveyors, mapmakers, engravers, publishers, collectors and people involved with map history. Does not include authors of articles in *Cairt*.

ADAIR, John

- Map playing cards. [12](#), 6-7.
- Pont maps research update: How many maps were lost by the Advocates Library?; Mysterious numerals on Pont, Gordon, and Adair maps. [21](#), 7. See also: [Pont Maps Website – Mysterious numerals on the Pont, Gordon and Adair maps](#).

ADAM, Alexander

- An expert at his profession: Alexander Adam (1819-1904), Alford and Aberdeen. [39](#), 5-6.

AINSLIE, John

- 'The Laudable Spirit of Improving': The Castle Semple Estate Plan and John Ainslie. [44](#), 4-5

ARSENIUS, Ambrose and Ferdinand (engr)

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

ATKINSON, William

- William Atkinson of Whitehaven (d.1709). [24](#), 8.

BALD, Robert

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

BALLANTINE, Walter

- Two Scottish matrimonial maps: *Matrimonial chart*, [John Robertson & Walter Ballantine, lithographers, c. 1825]; *A map of the island of Matrimony*, by John Thomson. [25](#), 7.

BANCA, Scipion

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

BARTHOLOMEW, John George

- John George Bartholomew and the naming of Antarctica. [13](#), 3-6.  
see also THEMATIC INDEX: BARTHOLOMEW ARCHIVE

BEATTIE, James Forbes

- Village planning in Aberdeenshire, 1859 and 1873. [42](#), 2-4

BERTIUS, Peter

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

BLAEU, Willem and Joan see THEMATIC INDEX: BLAEU MAPS

BROWN, George

- Lovat Estate maps project – initial online maps by Peter May and George Brown. [34](#), 3.

BUCHANAN, George

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

BURNETT, Gregory

- Unravelling George Robertson: a farmer and a nineteenth century land surveyor. [45](#), 2-4.

CHAPMAN, James

- Estate plan of Lewis (1807-9) from Western Isles Council Offices in Stornoway – now scanned and online. [45](#), 8.

CLOPPENBURG, Johannes

- The Cloppenburg crack conundrum. [4](#), 6-8.

COVENTRY, Alex

- Bartholomew Archive Project update [includes Alex Coventry's lithographic tools]. [18](#), 3.

CRAWFORD, David

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

CUTHBERT, William

- Images for all. [10](#), 4-5. [William Cuthbert collection].

DAY, Vice-Admiral Sir Archibald

- The Admiralty Hydrographic Service, 1795-1919 – a classic work, now online. [42](#), 8

DOGLIONI, Giovanni

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

DUNCAN, Alexander

- George Campbell Smith of Banff (1804-68): surveying in Ross-shire, 1833-1851. [33](#), 4-5.

FARQUHARSON, Sir John

- Col Sir John Farquharson and the Ordnance Survey name books for Strathdon. [18](#), 6-7.

FERGUSON, James

- Ferguson's astronomical rotula. [32](#), 1-2.

FLINT, James

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

FLOCKHART, Alexander

- *Map of the parish of Aberdour*, by Alex Flockhart, 1837. [14](#), 8.

FRASER, James

- *Map of the Counties of Fife and Kinross*, 1841. [42](#), 5-7

GALLE, Philip

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

GAVIN, Hector

- *A new and accurate map of Scotland divided into shires from the most authentick surveys*; engraved by Hector Gavin. [Kilmarnock]: James Meuros, [c.1780?]. [2](#), 6-8.

GEDDES, John

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

GIVAN, John

- John Givan (1778-1846): an eminent man of Fife. [39](#), 3-4.

GOLDMAN, Peter

- Peter Goldman and the earlier history of the Pont maps. [37](#), 4-5.

GORDON, James

- The gardens of Moray House: new evidence supporting specific garden details shown on James Gordon's Edinburgh plan of 1647. [35](#), 4-5.

GORDON, Robert

- When is a Blaeu map not a Blaeu? When it is a Lea. [9](#), 5-8.
- Did Blaeu copy from Pont or Gordon? [19](#), 4.
- Pont maps research update: How many maps were lost by the Advocates Library?; Mysterious numerals on Pont, Gordon, and Adair maps. [21](#), 7. See also: [Pont Maps Website – Mysterious numerals on the Pont, Gordon and Adair maps](#).

GOUGH, Richard

- From gossip to wild goose chase? Assessing Paton, Gough and Thomson as map history sources, 1771-1832. [36](#), 2-3.

GRAINGER, Thomas

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

HEPBURN, John

- John Hepburn's plan of Boddam, Aberdeenshire, 1855. [40](#), 5-6.

HOFFMAN, Johann

- Map playing cards. [12](#), 6-7.

HOME, John

- A plan of all the Lands and Baronys of Troup lying in the Parish of Gamrie and County of Banff, from an accurate survey and plan by John Home 1767. [2](#), 5.
- John Home's survey of Assynt, 1774. [6](#), 1-4.
- The National Records of Scotland's collection of John Home's Scottish estate plans. [27](#), 6-7.

INNES, Colin

- 'He knows really the value of ground': Colin Innes (1756-1822), surveyor, farmer and land agent in Aberdeenshire and the Mearns. [44](#), 6-8

JOHNSTON, W. & A.K.

- Two eminent Scottish cartographers : the Johnstons. [3](#), 3-4.

KNOX, JAMES

- A new social order at Orbiston? *Plan of the estate of Orbiston the property of General Hamilton*, surveyed by James Knox, 1804. Lithographed by Walter Ballantine 1828. [14](#), 7.

LEA, Philip

- When is a Blaeu map not a Blaeu? When it is a Lea. [9](#), 5-8.

LANCEFIELD, Alfred

- Alfred Lancefield (1811-1873). [16](#), 8.

LANGENES, Barent

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

LENTHALL, John

- Map playing cards. [12](#), 6-7.

LESLIE, James

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

LINDSAY, Robert

- A 'hail universall see kart': evidence of a late 16th century sea chart. [6](#), 6-8.

MARR, John

- John Marr – 'an ingenious marriner of Dundee'. [1](#), 3-6.

MACDONALD, Frank A.

- F A MacDonald [& partners] plans collection, University of Aberdeen (MS 3860). [29](#), 5-6.

McDOUGALL, Stephen

- Stephen McDougall: recent 'discoveries' of work by a mid-eighteenth-century Glasgow surveyor. [36](#), 4-5.

MacFARLANE, William

- Images for all. [10](#), 4-5. [William Cuthbert collection].

MACKENZIE, Murdoch

- Means, motive and opportunity: whose chart is in *The Fisheries Revived* (1750)? [7](#), 7.

Mc VICAR, Neil

- Lanarkshire land-surveyors: Neil McVicar - provost and surveyor of Rutherglen. [33](#), 6-7.

MACZEK, Stanislaw

- General Maczek's Great Polish Map of Scotland. [13](#), 3.

MARCHETTI, Pietro

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

MAY, Peter

- Peter May's plan of the lands of Glencarvie and the Forest of Bunzeach. [15](#), 3-5.
- Lovat Estate maps project – initial online maps by Peter May and George Brown. [34](#), 3.

MERCATOR, Gerhard

- Mercator's Scotia Regnum. [43](#), 1
- Mercator's mapping of Wester Ross. [43](#), 2-3

MILLER, John

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

MOXON, James

- Map playing cards. [12](#), 6-7.

NAPIER, William, 9th Lord Napier of Merchistoun

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

NIMMO, Alexander

- Alexander Nimmo's Inverness Survey and Journal, 1806. [19](#), 2.

NORIE, John William

- *The coal trade, or Edinburgh and Leith pilot ... additions to 1840*. London: J.W. Norie & Co., [1841?]. [3](#), 8.

OGG, Alexander

- Alexander Ogg and his *Plan of New and Old Aberdeen* (1847-55). [28](#), 5.

OGILBY, John

- A Scot's atlas of England and Wales: Ogilby, Ogilvie and *Britannia*. [27](#), 5-6.

ORTELIUS, Abraham

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

OTTER, Henry

- Henry Otter's 'Description of the north coast of Scotland' 1844. [40](#), 1.
- Slater's Loup and Monument – and his successor Henry Otter. [40](#), 2-4.

PATON, George

- From gossip to wild goose chase? Assessing Paton, Gough and Thomson as map history sources, 1771-1832. [36](#), 2-3.

PARK, Robert

- 'Practical, correct and expeditious': a Lanarkshire surveyor in New Zealand. [41](#), 3-6

PERROT, Aristide Michel

- Images for all. [10](#), 4-5. [William Cuthbert collection].
- *Carte dressée pour la lecture de Waverley, roman de Walter Scott*. 1828; engraved by Pierre Tardieu; published by Charles Gosselin and A. Sautelet. [19](#), 8.

PFANN, Wilhelm

- Map playing cards. [12](#), 6-7.

PONT, Timothy *see also* SUBJECT INDEX: PONT MAPS

- Timothy Pont - new biographical information. [5](#), 7.

ROBERTSON, George

- Unravelling George Robertson: a farmer and a nineteenth century land surveyor. [45](#), 2-4.

ROBERTSON, John

- Two Scottish matrimonial maps: *Matrimonial chart*, [John Robertson & Walter Ballantine, lithographers, c. 1825]; *A map of the island of Matrimony*, by John Thomson. [25](#), 7.

ROY, William

- William Roy's military survey of Scotland (1747-55) – new website and book. [11](#), 1, 7-8.
- Don't believe the hype? The Roy Military Survey and landscape research. [36](#), 8.
- New publication: General William Roy 1726-1790: Father of the Ordnance Survey. [41](#), 6

SARZINA, Giacomo

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

SCOT, Sir John, of Scotstarvit

- Peter Goldman and the earlier history of the Pont maps. [37](#), 4-5.

SCOTT, William

- The daily life of a land surveyor: apprentice William Scott in Sutherland, 1829-32. [45](#), 5-7.

SEYFRIED, J. H.

- Map playing cards. [12](#), 6-7.

SHIER, Thomas

- Thomas Shier (1762-1850): surveying nineteenth century planned villages. [37](#), 2-3.

SLATER, Michael

- Slater's Loup and Monument – and his successor Henry Otter. [40](#), 2-4.

SLEIGH, John

- John Sleigh (1826-1918): the 'Grand Old Man of Buchan'. [32](#), 7-8.

SLEZER, John

- Slezer's *Prospect of the Town of Haddington* (1693): reassembling the truth behind the view. [32](#), 4.

SMITH, Alexander

- 'A man of great ability': Alexander Smith (1811-84): land surveyor, civil engineer and historian. [35](#), 6-7.

SMITH, Charlotte

- New acquisition – the Smith map collection. [31](#), 8.

SMITH, George Campbell

- George Campbell Smith of Banff (1804-68): surveying in Ross-shire, 1833-1851. [33](#), 4-5.

STEEDMAN, John

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

STEVENSON, Robert

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.

STOBIE, James

- Discovering a new edition of James Stobie's map of *The Counties of Perth and Clackmannan* (1783). [30](#), 6.

TAYLOR, George

- George Taylor's plans of Aberdour Estate, Aberdeenshire 1774. [34](#), 4-5.

THOMSON, John

- Two Scottish matrimonial maps: *Matrimonial chart*, [John Robertson & Walter Ballantine, lithographers, c. 1825]; *A map of the island of Matrimony*, by John Thomson. [25](#), 7.
- From gossip to wild goose chase? Assessing Paton, Gough and Thomson as map history sources, 1771-1832. [36](#), 2-3.

TURRINI, Giovanni

- Abraham Ortelius' miniature maps of Scotland ... and the Italian pirates. [26](#), 4-5.

WAGHENAER, Lucas J.

- The ghost of maps past – what the Dickens was Waghenaer up to? [24](#), 8.

WATT, John

- John Watt in Renfrewshire. [7](#), 3-5.

WEDDERBURN, Alexander

- Wedderburn map of Dundee: a drawing in the Protocol Book, 1589 to 1592, of Alexander Wedderburn. [1](#), 8.

WOOD, John

- The Society of Scottish Land Surveyors: a brief episode in the history of surveying. [38](#), 2-5.
- New NLS acquisition – Wood's Atlas of towns of North-east England. [43](#), 6
